

Together, we find ourselves in an extraordinary situation with COVID-19. In the past few weeks, things have moved very quickly, and this pandemic is affecting all of our communities, our families and our way of life. While the uncertainty can be unsettling, we will get through this together and emerge stronger. Be well and stay safe.

As we all navigate these very troubling times we find it nothing short of amazing what can be accomplished!

To all the workers, volunteers and companies who are helping move the project forward - a profound THANK YOU!

This is not just our project but yours as well!

To everyone who have made donations, did a fundraiser, bought a tee shirt, decal and of course a Nero, we thank you all as well!

Fundraising to support this facility is ongoing, we are just barely more than half way there – no donation is ever too small - [Donate here](#)
